AVAILABLE

You are about to purchase the above item. Before you submit your purchase, please take note of the following points regarding the purchase rules on this Market for safety for both buyers and sellers.

1) All purchases are handled through the **Escrow** system of the marketplace. Once you submit your purchase, the money will be held in Escrow until you acknowledge satisfactory receipt of the goods. When you receive your item and everything is all right, you will be expected to release Escrow.

2) If the received good are not satisfactory, you can choose to **dispute** the transaction and a moderator will look into it. Please dispute only if you have a good reason; changing your mind is not considered an acceptable reason.

3) Escrow will auto-finalize **48 hours** after shipping date for digital goods, and **14 days** for physical goods. Once the funds are released, the sale is considered final and the seller can access those funds. If you have not received your goods before that time, please dispute the order, as finalized orders are considered final.

4) Please report the seller if he/she asks for money outside of Escrow, and do not send coins. If you send coins outside our Escrow system, it is entirely at your own risk.

5) It is **highly recommended** that you **PGP encrypt your shipping address yourself**. This offers an additional layer of protection for both the buyer and the seller.
